

Lindsey B. Ricciardi, PHD, CEDS  
Licensed Clinical Psychologist  
State of Nevada 2007  
License # PY0529

## **EDUCATION**

Postdoctoral Fellowship Department of Psychiatry University of Chicago Medical Center  
Eating and Weight Disorders Program  
Supervisor: Eunice Chen, Ph.D.  
June 2006

Professional Internship  
Department of Psychiatry University of Chicago Medical Center  
Supervisor: Daniel le Grange, Ph.D.  
June 2005

Ph.D., Clinical Psychology  
University of Nevada, Las Vegas  
Supervisor: Marta Meana, Ph.D.  
December 2005

M.A., Clinical Psychology  
University of Nevada, Las Vegas  
Supervisor: Marta Meana, Ph.D.  
December 2001

B.A., Psychology, with Honors  
University of Maine  
May 1998

## **CERTIFICATIONS**

Certified Eating Disorder Specialist (CEDS)  
International Association for Eating Disorder Professionals  
July 2020

Certified Family Based Treatment Provider  
The Training Institute for Child and Adolescent Eating Disorders  
September 2008

## **LEADERSHIP**

Legislative Committee Member Nevada Psychological Association  
May 2012-2018

Continuing Education Committee Nevada Psychological Association  
May 2015-May 2016

Board Member Chair, Continuing Nevada Psychological Association Education Committee  
May 2013-April 2015

Past-President Nevada Psychological Association  
May 2013-May 2014

President Nevada Psychological Association

Outstanding Contribution to Nevada Psychological Association 2012  
First Place, Nevada State Psychological Association Poster Session, 2004  
The President's Graduate Fellowship, UNLV, 2003  
Graduate Summer Session Scholarship, UNLV, 2003  
Outstanding Dissertation Proposal in Psychology, UNLV, 2003  
James F. Adams/Graduate Student Association Summer Scholarship, 2002  
Outstanding Master's Thesis in Psychology, UNLV, 2002  
Second Place Award, Graduate Student Association Research Forum, 2002 GREAT Summer Scholarship, UNLV, 2001  
Psi Chi, University of Maine (1996-1998)  
Alpha Kappa Delta, University of Maine (1997-1998)  
Deans Honor List, University of Maine (1995-1998)

## **CLINICAL EXPERIENCE**

Owner/Director  
The Eating Disorder Institute of Las Vegas  
Lindsey Ricciardi, Ph.D. LLC  
5572 S. Fort Apache Road Suite 110  
Las Vegas, NV 89148  
(702) 552-0518

Oversee all aspects of clinic in the treatment of eating disorders and related conditions in adolescents and adults through individual, family, and group psychotherapy and clinical nutritional therapy. Deliver evidence-based interventions for comorbid conditions such as treatment of depression, anxiety, and personality disorders. Train and supervise doctoral level UNLV clinical psychology practicum students and clinical professional counseling students, clinical psychology predoctoral interns and postdoctoral fellows. DBT treatment for eating disorders including therapist consultation, phone coaching, group skills training, and individual therapy. Provide training to community and health service professionals on eating disorders and related concerns through public speaking and workshops.

Psychologist and Group Facilitator  
Surgical Weight Control Center  
September 2010-August 2019

Provided training and supervision to clinical psychology practicum students/interns/postdocs to conduct preoperative psychosocial evaluations for bariatric surgery candidates. Utilized clinical interview and evidence-based assessment tools to make informed decisions regarding preparedness and safety to move forward with surgery. Assessed eating disorder pathology and severity. Provided resources to patients and recommendations. Facilitated monthly support group.

Director of Behavioral Health Services  
Licensed Clinical Psychologist  
Creative Health Solutions  
June 2007-May 2014

Responsible for the assessment, treatment and clinical management of eating disorders and weight concerns in adolescents and adults. Responsible for the design and implementation of a multidisciplinary eating and weight disorders program that includes educational seminars, skills training workshops, medical management, clinical nutrition therapy, weekly group therapy sessions and individual psychotherapy sessions as indicated. Provided general psychotherapy services such as treatment of depression, anxiety, and adjustment issues, as well as behavioral medicine services. Trained and supervised Ph.D. level UNLV clinical psychology practicum students, clinical psychology predoctoral interns and postdoctoral fellows in the assessment and treatment of eating disorders and related concerns. Provided comprehensive DBT treatment for eating disorders including therapist consultation, phone coaching, skills training, and individual therapy. Participation in weekly interdisciplinary staff treatment team meetings.

Program/Clinical Director  
Center for Change, Las Vegas  
July 2008- July 2010

Responsible for coordinating initial set up of all aspects of eating disorder treatment facility across three levels of care. Duties included interviewing, hiring, negotiating wages and scheduling of new employees, coordinating with staff at primary location in Utah, meeting and planning with other Las Vegas directors, adaptation and implementation of existing policies and procedures to Las Vegas facility, marketing, education and outreach, Joint Commission accreditation and site visits, setting up contracts and single case agreements with insurance companies, utilization management, and event planning. Supervised staff in all aspects of clinical programming including assessments, group and individual psychotherapy, and therapeutic meals and outings. Facilitated weekly multidisciplinary team meetings including psychiatrist, physicians, social workers, psychologists, nurse, mental health technicians, dietitians, and experiential therapists. Conducted individual, family, group, and experiential psychotherapies.

Predocctoral Intern/Postdoctoral Fellow  
Eating and Weight Disorders Program  
Department of Child Psychiatry  
University of Chicago Hospitals  
July 2004- June 2006

Conducted diagnostic assessments, including the Eating Disorders Examination and semi structured clinical interview for DSM-4, to children, adolescents, and adults seeking services for a variety of eating disorders and related concerns. Participated in weekly group didactics and group supervision/training related to eating disorder assessment and various treatment approaches including family-based therapy, cognitive-behavioral therapy, dialectical behavior therapy, interpersonal therapy, supportive psychotherapy. Provided weekly empirically supported

psychotherapy for adolescents and adults with bulimia nervosa, binge eating disorder, anorexia, and eating disorder NOS. Trained and supervised psychology interns and externs to perform assessments and provided psychotherapy supervision to psychology interns. Supervisor: Daniel le Grange, Ph.D. & Eunice Chen, Ph.D.

Predoctoral Intern/Postdoctoral Fellow  
Center for Surgical Treatment  
Department of Surgery  
University of Chicago Hospitals  
July 2004-June 2006

Participated in weekly multidisciplinary team meetings, conducted preoperative psychosocial assessments, conducted follow-up psychosocial assessments and brief interventions, facilitated monthly support groups, and trained and supervised psychology interns and externs to perform duties listed above. Developed and implemented a comprehensive preoperative workshop (PREP) to prepare patients for psychosocial challenges of surgery. Supervisors: Daniel le Grange, Ph.D. & Eunice Chen, Ph.D.

Predoctoral Psychology Intern/Postdoctoral Fellow/Therapist  
Outpatient Psychiatry Department  
University of Chicago Hospitals  
July 2004-June 2006

Provided psychological services to a diverse population of adolescents and adults seeking treatment for a variety of psychological difficulties and disorders including depression, anxiety, and personality disorders. Assisted clients seeking medical treatment through the university hospital with psychosocial and behavioral issues related to management of physical illnesses and conditions. Supervisors: Scott Hunter, Ph.D.

Predoctoral Psychology Intern/Therapist  
Anxiety and Depression Clinic  
Department of Psychiatry  
University of Chicago Hospitals  
June 2004-January 2005

Conducted manualized Behavioral-Activation (BA) therapy with severely depressed adults as part of a research study investigating the efficacy of a newly developed treatment protocol. Supervisor: Jackie Gollan, Ph.D

Clinical Supervisor  
Department of Psychology  
University of Nevada, Las Vegas  
August 2003-June 2004

Provided weekly one-hour clinical supervision to advanced practicum student. Additional duties include orienting student to practicum site, procedures, and policies. Supervisor: Marta Meana, Ph.D.

Clinical Psychology Practicum Student/Therapist  
Women's Specialty Care  
Summerlin, Nevada  
August 2002-December 2003

Provided psychological services, including pain management and sex therapy, to individual patients and couples seeking services for a variety of psychological difficulties and disorders including, but not limited to, coping with various medical conditions, sexual dysfunction, post partum depression, infertility, and chronic pelvic pain. Supervisor: Marta Meana, Ph.D. and Warren Volker, M.D.

Clinical Psychology Practicum Student/Therapist  
Counseling and Psychological Services  
University of Nevada, Las Vegas  
August 2001-May 2002

Provided weekly, one-hour therapy sessions to university students seeking psychological services for a variety of psychological issues including, but not limited to, developmental, individuation, and separation issues, depression, anxiety, adjustment disorders, interpersonal problems. Supervisor: Ken Swartz, Psy.D.

Group Facilitator  
Bariatric Surgery Support Group  
University Medical Center  
Las Vegas, Nevada  
September 2001-May 2001

Facilitated bimonthly, support groups for patients who have underwent bariatric surgery. Supervisors: Marta Meana, Ph.D. & Barry L. Fisher, MD

Clinical Psychology Practicum Student/Therapist  
Center for Individual, Couple and Family Counseling  
University of Nevada, Las Vegas  
September 2001-May 2001

Provided individual and family therapy sessions to a diverse range of clients seeking psychological services for a variety of Axis I and Axis II disorders and psychosocial stressors. Supervisors: Brad Donohue, Ph.D. and Christopher

Kearney, Ph.D.

Psychiatric Technician  
Acadia Hospital  
Bangor, Maine  
January 2000-June 2004

Facilitated a wide range of support services for adolescents with eating, mood, anxiety, substance, psychotic, and behavioral disorders throughout acute psychiatric inpatient stay. Supervisor: Marcia Bean, RNC

Clinical Psychology Practicum Student/Therapist  
Federal Bureau of Prisons  
Nellis Airforce Base, Las Vegas, Nevada  
June 2001-August 2001

Co-facilitated group therapy sessions for male inmates with a variety of offenses who all had substance related issues. Assisted in various educational components of Residential Drug Treatment Program. Supervisor: David Greene, Ph.D.

Peer Educator  
Cutler Health Center  
Orono, Maine  
April 1996-May 1997

Created, designed and executed educational programs in dormitories, local schools and other colleges; Specialized in programs pertaining to body-image, self-esteem, eating disorders, nutrition, physical fitness, and stress reduction. Supervisor: Sherri Cousins, MA

## **RESEARCH EXPERIENCE**

Co-Principal Investigator: Study on the Impact of Group Dialectical-Behavioral Therapy on Binge Eaters with Obesity  
University of Chicago Hospitals  
2005-2007  
Co-PI: Eunice Chen, Ph.D.

Designed and coordinated study investigating the impact of group dialectical-behavioral therapy on obese binge eaters. Co-lead weekly therapy groups.

Co-Principal Investigator: Study on the Impact of Obesity Surgery on Sexual and Relational Functioning

University of Nevada, Las Vegas

2001- 2006

Co-PI: Marta Meana, Ph.D., Barry Fisher, MD

Designed, coordinated, and analyzed results of prospective dissertation study investigating the impact of surgically achieved dramatic weight loss on the relationships and social standing of gastric bypass patients.

Co-Principal Investigator: Study on Psychosocial Aspects of Gastric-Bypass Surgery University of Chicago Hospitals

2004 – 2006

Co-PI: Daniel le Grange, Ph.D., Maureen Dymek, Ph.D., Eunice Chen, Ph.D., John Alverdy, M.D.

Responsible for design, analysis, and dissemination of results of longitudinal study of more than 350 weight-loss surgery patients investigating various psychosocial factors, such as quality of life, depression, self-esteem, and eating behavior.

Co-Principal Investigator: Study on Motivation for Weight-Loss Surgery

University of Nevada, Las Vegas

2003 – 2004

Co-PI: Marta Meana, Ph.D., Barry Fisher, MD

Designed a pilot measure investigating numerous motivational factors for undergoing weight-loss surgery. Currently exploring psychometric properties of measure and investigating relationship between motivation and long-term outcome in over 200 weight-loss surgery patients.

Co-Principal Investigator: Study on Perceived Psychosocial Outcomes of Gastric Bypass Surgery.

University of Nevada, Las Vegas

University of Nevada School of Medicine

Sept 1999 – November 2001

Co-PI: Marta Meana Ph.D., Barry Fisher, MD

Designed, coordinated, analyzed, and disseminated results of a qualitative study of ways in which gastric bypass patients perceive surgery to have changed their lives.

Research Assistant

Women's Gynecologic Pain Group

University Medical Center

September 2000-May 2001

Assisted in the establishment of a clinic devised to assess and treat women who experience gynecologic pain. Conducted clinical assessment interviews and pain assessments. Supervisors: Marta Meana, Ph.D. and Warren Volker, M.D., Ph.D.

Research Assistant Department of Psychology  
University of Las Vegas, Nevada  
August 1999-May 2001

Assisted in the coordination of a study investigating prevalence of dyspareunia and attitudes and beliefs of college women regarding this pain disorder. Supervisor: Marta Meana, Ph.D.

Research Assistant University of Maine, Orono  
Spring Semester 1997, Spring Semester 1998

Assisted in the collection and analysis of data for study investigating high-risk sexual interactions among adolescents and the relationship between assertiveness and contraception use. Supervisor: Douglas Nangle, Ph.D.

## **TEACHING/SUPERVISION EXPERIENCE**

Practicum Supervisor/Adjunct Assistant Instructor  
UNLV Department of Psychology  
June 2007- Present

Responsible for training and supervision of Ph.D. level UNLV clinical psychology practicum students and postdoctoral fellows in the assessment and treatment of eating disorders and related concerns. Supervisor duties include didactic trainings, weekly supervision, co-facilitation of groups, review of videotaped sessions and feedback, and chart review. Preparation for internship by providing practicum students experience in assessment, individual and group therapy, working with various populations and disorders and working towards proficiency in several evidence-based treatment modalities (DBT, FBT, CBT, etc.).

Psychologist/Instructor  
Creative Health Solutions  
June 2007-Present

Responsible for the design and implementation of educational classes and workshops related to weight management, healthy eating, assertiveness, stress management, dysfunctional thinking and attitudes, and body image.

Part-Time Instructor  
Health Psychology

Personality Psychology (2 sections)  
Department of Psychology, UNLV  
January 2007-May 2007

Part-Time Instructor  
Introduction to Psychology (8 sections)  
Department of Psychology, UNLV  
July 2001-June 2003

Teaching Assistant  
Statistics in Psychology (2 sections)  
University of Las Vegas, Nevada  
August 1999-May 2001
